## **Official Support for Bake Sale**

*Supporting Orphaned Children in Mauritius*

Dear Supporters,

The **National Forum of Colleges (NAFCO)** is proud to present our student-led initiative:  
**“Bake for Hope – Supporting Orphaned Children in Mauritius.”**

This project aims to bring joy and support to orphaned children in Mauritius through a **bake sale fundraiser**.

- **50% of funds raised** will cover bake sale expenses — including ingredients, packaging, and event costs.
- **50% of funds raised** will be used **directly for orphaned children**, to purchase school supplies, hygiene kits, toys, and snacks. If sufficient funds allow, we also plan to organise a **fun day** to bring happiness and memorable moments to the children.

Although the specific orphanage has yet to be finalised, our NAFCO team will **personally purchase and deliver all materials** to ensure that donations reach the children directly.
