Date: 09 January, 2023

Dear Sir,

Proposed construction of classrooms and toilets over an existing ground floor building over a plot of State land of an extent of 757m², being Part of P.G Surinam, in the District of Savanne - Southern Handicapped Association.

Please refer to the sets of amended architectural plans submitted to this Ministry for approval, under cover of your letter dated 10 October, 2022, in connection with the aforementioned subject.

2. I am directed to inform you that this Ministry has, in principle, no planning objection to the proposed construction of classrooms and toilets over an existing ground floor building over a plot of State land of an extent of 757m², being Part of P.G Surinam, in the District of Savanne, as per approved plans, stamped and signed, subject to clearance being sought and obtained from all relevant authorities, prior to carrying out development on site.

Yours faithfully,

Mr. D. Mattabadul
for Senior Chief Executive

Note: This planning clearance is not a permit. You should apply for and obtain a Building and Land Use Permit along with other relevant statutory permits and licences before starting any construction or carrying out any business.
