

Date: **05 May 2025**

To whom it may concern:

This is to certify that patient **DOHOROO ANNICK**, is planning to proceed for treatment at **Marengo Asia Hospitals** in **India** under **Dr. Himanshu Champaneri (Senior Consultant – Department of Neurosurgery)**. Project Health Ltd is in charge of all necessary arrangements as the medical facilitator in Mauritius and India.

Following evaluation done in India, it is a diagnosed case of Non-Compressive Myelopathy and patient will need surgery for the implant of a Baclofen pump. Please note that patient will also need evaluation for kidney issues.

The medical advice of the doctor and the treatment plan will include the following:

- Cost of Evaluation for Kidney issues: **USD 3500 - 4000** approx. (Including Cystoscopy)
- Cost of Evaluation for Myelopathy: **USD 1500 - 2000** approx.
- Cost of Surgery: **USD 22000** approx.
- Post Surgical follow ups: **USD 600 - 800** approx.

Medical escort costs:

- Doctor's Fees: **USD 950** approx.
- Doctor's Tickets: **USD 900** approx.
- Ambulance in Mauritius: **USD 185** approx.
- Ambulance in India: **USD 100** approx.
- Stretcher: **USD 860** approx.
- Ambulift: **USD 295** approx.

Additional costs:

- Accommodation: **USD 840** approx. (for 4 weeks) in guest house.
- Sim Card: **USD 10** approx. (per sim)
- Ticket Cost: **USD 1800** approx. (1 Patient + 1 Attendant)

Total estimated cost for treatment is USD 33,740 (MRU 1,615,410) approx.

***The estimates might vary based on availability of seats for ticket and evaluation in India**
