Subject: Approval to Launch an Online Fundraising Campaign for CSE Velocity

I, the undersigned, hereby confirm that I have given approval to Mr Parvesh Gooroochurn, Teacher in Charge of CSE Velocity, to launch an online fundraising campaign on behalf of the team.

This fundraising campaign is being organised to support CSE Velocity, the STEM Racing team of Collège du Saint-Esprit, in its participation in the STEM Racing World Finals 2026 in Singapore, where the students will represent the school and Mauritius on an international platform.

The funds collected through this campaign will contribute towards expenses related to the team's participation, including registration, travel, accommodation, engineering development, manufacturing, branding, and other competition-related costs.

This approval is granted with the understanding that the campaign will be conducted in a professional and transparent manner, and that all funds collected will be used strictly for the benefit of CSE Velocity and its participation in the competition.

This letter is issued as an official confirmation that Mr Parvesh Gooroochurn is authorised to launch and manage the online fundraising campaign for CSE Velocity.

Yours faithfully,

Mr. Thierry Godet

Manager

Collège du Saint-Esprit
